Perfect Mobile Icons

Whether you are developing software for handheld devices, PDA or mobile phones, or just making a mobile synchronization tool for desktops, Perfect Mobile Icons will not feel out of place. Make your mobile software look consistent and feel professional by using this perfectly crafted set of icons. Perfect Mobile Icons are designed to be perfectly legible and easily recognizable on low-resolution mobile screens, and work as a matching set, sharing common style, gamma and colors.

Number of icons: 133
**Image sizes**: 48 x 48, 32 x 32, 24 x 24, 20 x 20, 16 x 16
